Wedding DJ Information Night

This free, no obligation event has been designed to educate & put your mind at ease with any concerns & questions you may have about the entertainment at your upcoming wedding.

We believe that you should be completely comfortable when booking the entertainment for your wedding (ceremony & reception), as it is common that 80% of your guests will judge the success / failure of your wedding, on the entertainment you hire.

Also being covered by Infinite Images Wedding Photography are some helpful tips on how to choose your perfect wedding photographer.

This is an incredible opportunity to find out more about two of the most important aspects of your wedding day & see one of Brisbane's premier wedding reception venues on display.
